Please note that the new polo shirts to be offered beginning in the 2007 school year are made from the softest, highest quality cotton available. The shirts are styled in a "relaxed fit" and are designed to be worn untucked; however, they may not be worn untucked below the midpoint of the pants pocket. Students purchasing oversized shirts will not be permitted to wear them. Seniors are not required to purchase the new shirts; they may continue to wear the original polo shirts.

Pants

All students must wear solid tan (khaki) or navy blue slacks. These pants may be purchased from any provider. However, only *Dockers* or similar dress style pants are permitted. Students are not permitted to wear pants that are form-fitting or low-riding or pants made from corduroy, denim, or have patch pockets, outside stitching or a jean appearance.

*THIS IS THE ONLY UNIFORM SWEATSHIRT TO BE WORN DURING THE 2008-09 SCHOOL YEAR. OTHER SERRA SWEATSHIRTS MAYB E WORN ON SPIRIT DAYS OR DESIGNATED DRESS DOWN DAYS.
